Leon! Pizzeria began with an idea that seemed improbable at the start. After a 25+ hour journey and 1,600 miles traveled, our family arrived in the great state of Texas looking for a new beginning. Guided only by faith in God and the desire to serve a community we now call home, the concept behind Leon! was born. More than just an authentic New York style pizzeria experience, Leon! is a place for fellowship and community. Grab a slice and enjoy the warm atmosphere, because at Leon!, everyone is family!
